

NORDEX EXPLOSIVES ANNOUNCES RECORD SALES FORECAST FOR 2010 AND MAILING DATE FOR ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS

Mississauga, Ontario (May 25, 2010) LES EXPLOSIFS NORDEX LTEE/NORDEX EXPLOSIVES LTD. ("Nordex")(TSXV:NXX) is pleased to announce record sales forecast of \$11,000,000 for the year ending December 31, 2010.

In a press release from April 7, 2010 John Kozak, President of Nordex, stated "The combination of new mining clients and increased market share in the construction and quarry sectors contributed to the significant growth. The most recent four quarters have been Nordex's four best ever in terms of sales."

The complete set of Financial Statements and the Management Discussion and Analysis for the fiscal quarter ending March 31, 2010 will be issued on May 27, 2010.

Nordex is also pleased to announce that the information package for the Annual General and Special Meeting of Shareholders scheduled for June 17, 2010 will be mailed out May 26, 2010.

Shareholder votes are extremely important. It is in the best interest of Nordex and its shareholders that the shareholders vote in favour of the recommendations made by Management in the information package. Shareholders should submit their votes immediately upon receipt of their information package.

Shareholders will receive an information package for the Annual General and Special Meeting of Shareholders comprised of the following documents:

- Notice of Annual General and Special Meeting of Shareholders
- Management Information Circular
- Management Proxy
- Financial Statements for fiscal year ending December 31, 2010
- Management's Discussion and Analysis for fiscal year ending December 31, 2010

The Board and Management of Nordex recommend Shareholders cast their vote in favour of the nominees proposed by Management for election to the Board of Directors. The information package contains instructions for shareholders to cast their vote either on the web, by telephone, or by mailing in their proxy. Nordex shareholders should carefully review all information they receive in order to make an informed decision prior to casting their votes.

If shareholders have any question on the information package or on casting their votes they should contact John Kozak, President & CEO of Nordex, by phone at 416-907-6933 or by email at jkozak@nordexplosives.com.

The future of Nordex Explosives Ltd. will be determined by the outcome of this vote. Nordex recommends that shareholders not allow a dissident group to take control of Nordex and the shareholder's investments.

The Nordex Board urges you to withhold your vote from the dissident nominees and discard any form of proxy you may receive from the dissidents for their election to the Board of Directors.

The dissident nominees have not advised of any tangible business plans or strategies for the direction of Nordex. A majority of the dissident nominees have minimal or no experience in operating an explosives company and have little or no experience as a director for a public company. This is in strong contrast to the existing Board's proven track record of increasing revenues and profitability, achievement of significant milestones in 2009 and 2010, implementation of a strong strategic plan and composition of experienced, qualified and independent Directors.

Over the last six years, the current Management of Nordex has taken the company from near bankruptcy with annual sales less than \$1,000,000 to a financially strong enterprise with annual sales forecast to be \$11,000,000.

The Nordex Board and Management have implemented a strong strategic plan for the Company including expanding the exceptional service that has made Nordex an industry leader, increasing market share in the non-mining sectors, continued product development, and expansion into new geographical regions.

Management expects that the Company's growth will continue with this strategic plan in place. Shareholders should not allow a dissident group to endanger this anticipated growth.

Forward-Looking Statements – Not for U.S. Distribution

Certain information included herein may contain “forward-looking statements” which reflect the current expectations of management of the Company regarding the Company’s future growth, results of operations, performance, business prospects and opportunities. Wherever possible, words such as “may”, “would”, “could”, “should”, “will”, “anticipate”, “believe”, “plan”, “expect”, “intend”, “estimate”, “aim”, “endeavor”, “seek”, “predict”, “potential” and similar expressions have been used to identify these forward-looking statements. These statements reflect management’s current beliefs with respect to future events and are based on information currently available to management of the Company. Forward-looking statements involve significant risks, uncertainties and assumptions. Many factors could cause the Company’s actual results, performance or achievements to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements, including, without limitation, cancellations of or the failure to renew purchase orders; production and delivery issues; quality, pricing and availability of raw materials; compliance with environmental regulations; exchange rate fluctuations as well as the other risks identified in the “Risk Factors” contained in the Company’s Annual Management Discussion and Analysis and other public filings (copies of which may be obtained at www.sedar.com). Should one or more of these risks or uncertainties materialize, or should assumptions underlying the forward-looking statements prove incorrect, actual results, performance or achievements may vary materially from those expressed or implied by this press release. These factors should be considered carefully and the reader should not place undue reliance on the forward-looking statements. Although any forward-looking statements contained in this press release are based upon what management currently believes to be reasonable assumptions, the Company cannot assure readers that actual results, performance or achievements will be consistent with these forward-looking statements, and management’s assumptions may prove to be incorrect. These forward-looking statements are made as of the date of this press release, and, other than as required by law, the Company does not intend, and does not assume any obligation, to update or revise these forward-looking statements, whether as a result of new information, future events or otherwise.
