

NORDEX EXPLOSIVES MARKS 40 YEAR MILESTONE WITH ANNOUNCEMENT OF RECORD QUARTERLY SALES

Not for US Distribution

Mississauga, Ontario (April 7, 2010) NORDEX EXPLOSIVES LTD. (TSXV:NXX) ("Nordex") announced its highest quarterly sales in the 40 year history of the company for the fiscal quarter ending March 31, 2010. Sales for first quarter 2010 were approximately \$2,750,000 for an increase of over 100% compared to the 2009 first quarter sales of \$1,272,345.

John Kozak, President of Nordex, stated "The combination of new mining clients and increased market share in the construction and quarry sectors contributed to the significant growth. The most recent four quarters have been Nordex's four best ever in terms of sales."

Total sales for the trailing twelve months ending March 31, 2010 are approximately \$9,400,000 for an increase of over 60% compared to sales of \$5,763,746 for the trailing twelve months ending March 31, 2009.

Complete interim financial statements for the quarter ending March 31, 2010 will be released prior to the end of May 2010.

Forward-Looking Statements

Certain information included herein may contain “forward-looking statements” which reflect the current expectations of management of the Company regarding the Company’s future growth, results of operations, performance, business prospects and opportunities. Wherever possible, words such as “may”, “would”, “could”, “should”, “will”, “anticipate”, “believe”, “plan”, “expect”, “intend”, “estimate”, “aim”, “endeavor”, “seek”, “predict”, “potential” and similar expressions have been used to identify these forward-looking statements. These statements reflect management’s current beliefs with respect to future events and are based on information currently available to management of the Company. Forward-looking statements involve significant risks, uncertainties and assumptions. Many factors could cause the Company’s actual results, performance or achievements to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements, including, without limitation, cancellations of or the failure to renew purchase orders; production and delivery issues; quality, pricing and availability of raw materials; compliance with environmental regulations; exchange rate fluctuations as well as the other risks identified in the “Risk Factors” contained in the annual Company’s Management Discussion and Analysis for the year ending December 31, 2009 and other public filings (copies of which may be obtained at www.sedar.com). Should one or more of these risks or uncertainties materialize, or should assumptions underlying the forward-looking statements prove incorrect, actual results, performance or achievements may vary materially from those expressed or implied by this press release. These factors should be considered carefully and the reader should not place undue reliance on the forward-looking statements. Although any forward-looking statements contained in this press release are based upon what management currently believes to be reasonable assumptions, the Company cannot assure readers that actual results, performance or achievements will be consistent with these forward-looking statements, and management’s assumptions may prove to be incorrect. These forward-looking statements are made as of the date of this press release, and, other than as required by law, the Company does not intend, and does not assume any obligation, to update or revise these forward-looking statements, whether as a result of new information, future events or otherwise.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
