

NORDEX EXPLOSIVES ANNOUNCES SUSPENDED SALES WITH LIBERTY MINES

Mississauga, Ontario (November 5, 2008) NORDEX EXPLOSIVES LTD. (TSXV:NXX) announces that a customer of Nordex, Liberty Mines Inc., ("Liberty Mines") has announced that it has placed its nickel mining operations near Timmins on care and maintenance.

In its press release, Liberty Mines indicated that it has placed the mines on care and maintenance as a result of the recent downturn in commodity prices and the general economic slow-down. Liberty Mines indicated that they will be seeking near-term financing in order to fund its intended restructuring and interim operations and will also seek out partners with which to complete a business combination such as an amalgamation, arrangement, take-over bid or another combination for the purposes of financing its growth and operations.

As a result of the announcement by Liberty Mines, Nordex Explosives does not expect sales to resume to Liberty Mines until they complete their financing and/or restructuring and operations resume at their mines near Timmins.

Forward-Looking Statements – Not for U.S. Distribution

This press release contains forward-looking statements based on current expectations. These forward-looking statements contain various risks and uncertainties which could cause actual results to differ materially from those reflected in the forward-looking statements. Risks and uncertainties about the Company's business are more fully disclosed in the disclosure materials, financial statements and MD& A filed with the securities regulatory authorities in Canada on www.sedar.com.
