

## **NORDEX EXPLOSIVES ANNOUNCES SUPPLY CONTRACT FOR NORTHGATE MINERALS**

Kirkland Lake, Ontario (January 30, 2007) NORDEX EXPLOSIVES LTD. (TSXV:NXX) announces that it has signed an agreement with Northgate Minerals Corporation for the supply of explosive products for use at their Young-Davidson exploration project near the town of Matachewan, Ontario. Under the terms of the agreement, Northgate Minerals will purchase a minimum of 90% of the explosives for the Young-Davidson exploration project from Nordex Explosives until project completion in approximately eighteen months. There is no minimum volume or dollar commitment under the agreement and resulting explosive sales will be a function of the operating activity at the Young-Davidson exploration project.

### **Forward-Looking Statements – Not for U.S. Distribution**

**This press release contains forward-looking statements based on current expectations. These forward-looking statements contain various risks and uncertainties which could cause actual results to differ materially from those reflected in the forward-looking statements. Risks and uncertainties about the Company's business are more fully disclosed in the disclosure materials, financial statements and MD& A filed with the securities regulatory authorities in Canada on [www.sedar.com](http://www.sedar.com).**
